§ 1 Subject of the Contract

The topic for this is _____ and allows the photographer to use the image / video material with a subsequent report on www.greenlinephoto.com and on his social media presence (e.g. Instagram / Facebook)

This contract does not result in an employment relationship.

The photographer and model agree to take photos in the following form:

[ ] Portraits   [ ] Fashion   [ ]

§ 2 Agreements on the Obligations of the Contracting Parties

- It is a TfP photo shooting (Time for Prints) and therefore fee claims and / or claims for expense allowances cancel each other out, travel and food costs are each borne by the user
- The model receives from the photographer afterwards, but no later than 4 weeks after the photo shooting, a digital development with selected, technically flawless images as an image file, which were processed by the photographer using electronic image processing
- A "reject" of photos is always to be expected during a photo shooting (incorrectly exposed, blurred or out of focus), the photographer reserves the right to evaluate the total number of photos taken during the shoot and to make a preselection undergo

§ 3 Agreements on Image Rights

- Commercial use of the photos or assignment of image rights to third parties requires written approval
- The model is entitled to use the photos taken without any temporal, spatial or content restrictions in a modified or unchanged form for private purposes, as well as for non-commercial purposes (self-promotion e.g. Internet, Sedcard) in unchanged form as print or in digital form in any media
- The photographer assures that changes to the picture serve to enhance the quality, the photos may be edited and alienated as long as it does not counteract the picture situation
- Verbal subsidiary agreements have not been made, changes to the contract must be made in written form
